Subject: updated WA 4-14 and IGCE
Attachments: WA 4-14.docx; EPW16017_WA4-14_IGCE_gs.xlsx

All,

I updated the IGCE to match the new WA 4-14 task and subtask structure as well as the estimated labor hours and categories. Let me know if you would like to change any of these figures (please take a look at your specific sections!).

Attached are the "draft final" documents. (I was not able to directly save updates to the shared file from Gino – sorry for another copy). Let's try to move this out today. I can meet again this afternoon if people need.

Thanks,
Kellie
